Issue: no more democratic votes from this family

Street\_Address: 233 Grain Elevator Rd.

City: Lucedale

State: MS

Zip\_Code: 39452

Phone: 601 947 2538

Message: Mr. Governer, with much regret i must now say that I will never even consider voting for a democrat again. In the interest of my family and friends i cannot be a part of the divisiveness that the democratic party has now made their main platform. The democratic party has become nothing more than a mouthpiece for big labor and big government. I have not been too involved in the Mississippi political process before but from now on i will put my time and resources behind the republican party and agenda. My family and friends basically feel the same way. We are tired of overtaxation, and we are tired of not being listened to by our "representatives". You have disregarded the majority of our voices many times since you were elected, and you will reap the rewards from that during the next election.....sincerely, R. Bernard
